DIGITAL PHOTO ALBUM

Customized with your photo's and captions

DIGITAL OR STILL SHOT PHOTO'S

Service	\$ 55.00	\$ 70.00	\$ 85.00
Pages	16	24	32

Custom Digital Photo Albums are computer viewable files in the standard Portable Document Format (PDF). Capture photos and notes in an electronic album that book manufacturers can use to produce printed books in many optional designs.

- Put all your Family Photos together in electronic format
- Family Reunions – a great reminder of this special occasion
- Family Cook Books with photos and recipes passed down from generations
- Display your photos of your collector's items
- Present your Graduate with photo highlights of his/her successes
- Wedding Photos
- Activities - Sports, Cheerleading, Color Guard, Band, Dance, Hunting, etc.
- Building your new home – remember each step of the way
- Show case your special pet
- Never forget that special vacation
- Showcase your art

The sky is the limit, anything is possible. Just bring your photos and imagination to us and we can custom design your special digital photo album.

AUGUST 2009
